

Crohn's and Colitis Pre-Assessment Service

This is an initiative by Crohn's & Colitis New Zealand to save you time and effort when you are seeking insurance for yourself.

The objective is for you to obtain an initial assessment for life, trauma and disablement insurance, based on current health.

The procedure is as follows:

- Thoroughly complete the "*Pre-Assessment Inquiry Form*".
- This is then returned to Special Risk Insurance (SRI) by e-mail, or posted by mail.
- Each Inquiry Form received will be numbered and a receipt confirmed by SRI.
- Straight forward cases will be evaluated within 2 working days and confirmed by e-mail, or mail.
- For more involved cases, a specialist medical opinion may be required, in which case this may take a few extra days.
- Pre-Assessments are valid for a maximum of 60-days.
- If this pre-assessment is acceptable, a full Application is then required for the rest of the underwriting assessment, payment of premium, bank account details, etc.
- The policy Terms will then be confirmed and if acceptable, a policy document will then be issued and mailed out.

PLEASE NOTE:

The Pre-Assessment terms should be regarded as a guide only and are subject to full underwriting on receipt of a completed insurance application and Personal Statement.
